

**Garden State CLE presents..**

## **The Verdict: Why Ask Why?**

*2.0 substantive CLE credits*

This unique CLE program uses the 1982 film “The Verdict” as the basis for instruction. Unlike our more traditional CLE courses, a PDF lesson plan is not currently available. But you can still earn credits for this course by staying attentive during the video and making note of the “secret words” – unique to this program – given during the presentation. You’ll need these words to prove you paid attention in order to get your credits.
